JAMES R. GARVEY
CHIEF OPERATOR

KADM

POLICE DEPARTMENT

GAINESVILLE, TEXAS

December 28, 1943

Kermit Geary
R.F.D. # 2
Walnutport, Penn.

Dear Kermit,

In reference to your letter of December 19, 1943, in regard to your reception of KADM December 18th. I wish to confirm your report and thank you for a very nice letter. Your report checks with the station's log and is famaliar with me, as I was on duty at that time.

Gainesville, Texas is located in North Texas, just seven miles from Red River.

Police Radio KADM operates on 1714 KC. The transmitter is a Collins, running 225 watts to the final amplifier. It's construction is as follows: 6L6 oscillator, 6L6 buffer, two 807's PP buffer, two HF100's PP amplifier. Speech amplifier drives two ZB120's modulator. The sky hook is a Marconi which is 105 feet above the ground.

The station, espically myself, are glad to receive your report and wish to thank you for taking time to write us. We do not have any cards so I wish to send you a RADIOGRAM for your collection. Same is enclosed.

I guess this is all for now so untill we hear from you again I wish to thank you for your cooperation.

Very 73's,

James R. Garvey
